Representative Albert offered the following amendments to HB 4407, as substitute (H-3):

1. Amend page 228, following line 1, by inserting:

"Sec. 95b. (1) From the general fund money appropriated under section 11, there is allocated an amount not to exceed \$2,000,000.00 for **2021-2022 for** the model value-added growth and projection analytics system. The department shall continue the model value-added growth and projection analytics system and incorporate that model into its reporting requirements under the every student succeeds act, Public Law 114-95. ~~It is the intent of the legislature to fund the model under this section for 2021-2022 only if at least 50% of districts that are not public school academies opt in to student-teacher linkages provided by the model value-added growth and projection analytics system and there is verification that the value-added reporting platform continued hosting and delivery of historical reporting as determined based on the report under subsection (5).~~ The model described in this subsection must do at least all of the following:

(a) Utilize existing assessments and any future assessments that are suitable for measuring student growth.

(b) Report student growth measures at the district, school, teacher, and subgroup levels.

(c) Recognize the growth of tested students, including those who may have missing assessment data.

(d) Include all available prior standardized assessment data that meet inclusion criteria across grades, subjects, and state and local assessments.

(e) Allow student growth results to be disaggregated.

(f) Provide individual student projections showing the probability of a student reaching specific performance levels on future assessments. Given school closures and extended cancellations related to COVID-19, the data under this subdivision may be used to inform decisions about student placement or students that could benefit from additional supports or interventions.

(g) Demonstrate any prior success with this state's assessments through the Michigan council of educator effectiveness teacher evaluation pilot.

(h) Demonstrate prior statewide implementation in at least 2 other states for at least 10 years.

(i) Have a native roster verification system built into the value-added reporting platform that has been implemented statewide in at least 2 other states.

(j) Have a "help/contact us" ticketing system built into the value-added reporting platform.

(k) Given school closures that have occurred pursuant to an executive order issued by the governor, the value-added reporting platform must provide continued hosting and delivery of reporting and offer the department additional supports in the areas of research, analysis, web reporting, and training.

(l) The department and the platform vendor shall provide statewide training for educators to understand the reporting that details the impact to student learning and growth.

(2) The department shall provide internet-based electronic student growth and projection reporting based on the model under subsection (1) to educators at the school, district, and state levels. The model must include role-based permissions that allow educators to access information about the performance of the students within their immediate responsibility in accordance with applicable privacy laws.

(3) The model under subsection (1) must not be a mandatory part of teacher evaluation or educator pay-for-performance systems.

(4) The model under subsection (1) must be a model that received funding under this section in 2018-2019.

(5) By March 31, ~~2021~~, **2022**, the department shall work with the center to provide a report to the senate and house appropriations subcommittees on state school aid and the senate and house fiscal agencies regarding the number of districts that are not public school academies that opted in to student-teacher linkages in their use of the model value-added growth and projection analytics system under this section. The report under this subsection must also include verification that the value-added reporting platform continued hosting and delivery of historical reporting and specify any additional research and analysis offered to the department." and adjusting the totals in section 11 and enacting section 1 accordingly.

This funding must be used to support the operational costs of the conductive education model taught at the Conductive Learning Center to maximize the independence and mobility of children and adults with neuromotor disabilities. The conductive education model funded under this section must be based on the concept of neuroplasticity and the ability of people to learn and improve when they are motivated, regardless of the severity of their disability.

(2) Notwithstanding section 17b, the department shall distribute the funding allocated under this section to the Conductive Learning Center not later than December 1, ~~2020~~ **2021.**" and adjusting the totals in section 11 and enacting section 1 accordingly.

9. Amend page 218, following line 2, by inserting:

"Sec. 65. (1) From the ~~appropriation~~ **state school aid fund money appropriated** under section 11, there is allocated an amount not to exceed \$400,000.00 for ~~2020-2021~~ **2021-2022** for a pre-college engineering K-12 educational program that is focused on the development of a diverse future Michigan workforce, that serves multiple communities within southeast Michigan, that enrolls pupils from multiple districts, and that received funds

appropriated for this purpose in the appropriations act that provided the Michigan strategic fund budget for 2014-2015.

(2) To be eligible for funding under this section, a program must have the ability to expose pupils to, and motivate and prepare pupils for, science, technology, engineering, and mathematics careers and postsecondary education with special attention given to groups of pupils who are at-risk and underrepresented in technical professions and careers." and adjusting the totals in section 11 and enacting section 1 accordingly.

10. Amend page 313, line 25, after "Sec. 147a." by inserting "(1)".

11. Amend page 314, line 13, by inserting:

"(2) In addition to the allocation under subsection (1), from the state school aid fund money appropriated under section 11, there is allocated an amount not to exceed ~~\$155,136,000.00~~ **\$172,400,000.00** for ~~2020-2021~~ **2021-2022** for payments to participating districts and intermediate districts and from the general fund money appropriated under section 11, there is allocated an amount not to exceed ~~\$70,000.00~~ **\$60,000.00** for ~~2020-2021~~ **2021-2022** for payments to participating district libraries. The amount allocated to each participating entity under this subsection is based on each participating entity's reported quarterly payroll for members that became tier 1 prior to February 1, 2018 for the current fiscal year. A participating entity that receives money under this subsection shall use that money solely for the purpose of offsetting a portion of the normal cost contribution rate. As used in this subsection:

(a) "District library" means a district library established under the district library establishment act, 1989 PA 24, MCL 397.171 to 397.196.

(b) "Participating entity" means a district, intermediate district, or district library that is a reporting unit of the Michigan public school employees' retirement system under the public school employees retirement act of 1979, 1980 PA 300, MCL 38.1301 to 38.1437, and that reports employees to the Michigan public school employees' retirement system for the applicable fiscal year." and adjusting the totals in section 11 and enacting section 1 accordingly.

"Sec. 233. (1) From the funds appropriated in part 1 for educator excellence operations, \$1,775,000.00 shall be used to develop and implement a training program to provide resources and programming to pupils in grades 9 to 12 who are interested in a career in teaching and who are members of groups that are underrepresented in the teaching profession in this state.

(2) the department shall do all of the following with respect to the training program developed and implemented under subsection (1):

(a) Recruit districts to make the program available for their students and implement a competitive grant to support program costs.

(b) Advertise the program.

(c) Provide districts with resources to invite postsecondary institutions in this state that operate a teacher preparation program to participate in the training program.

(d) Provide districts with resources to connect pupils participating in the program to representatives of teacher preparation programs at postsecondary institutions in this state.

(e) At least once, conduct conferences for pupils participating in the district programs in at least three locations that are geographically convenient for the majority of pupils attending each conference.

(f) Provide all available research and resources to districts offering the training program on at least all of the following:

(i) Successful activities and programs for recruiting and retaining pupils who are members of groups that are underrepresented in the teaching profession for participation in postsecondary teacher preparation programs.

(ii) Teacher certification.

(iii) Employment as a teacher.

Sec. 234. From the funds appropriated in part 1 for educator excellence operations, there is appropriated \$800,000.00 for existing teachers to participate in a competitive grant program that would award up to \$8,000 per teacher to facilitate movement into high demand and critical shortage fields. Educator preparation institutions that participate would create a custom program for teachers to complete in one year."

----------------------	-----------

and adjusting the subtotals, totals, and section 201 accordingly.

2. Amend page 120, following line 10, by inserting:

"Sec. 883 (1) The green revolving fund is created within the state treasury. The state treasurer may receive money or other assets from any source for deposit into the green revolving fund. The state treasurer shall direct the investment of the green revolving fund. The state treasurer shall credit to the green revolving fund interest and earnings from green revolving fund investments.

(2) Money in the green revolving fund at the close of the fiscal year shall remain in the green revolving fund and shall not lapse to the general fund.

(3) From the funds appropriated in part 1 for the green revolving fund, \$5,000,000.00 from the state general fund/general purpose is deposited in the green revolving fund created in subsection (1) and is appropriated for energy efficiency and renewable energy projects.

(4) The department will provide oversight and direction for the green revolving fund and shall coordinate a call for projects and prioritize the award of projects that will contribute to a reduction in the state's carbon footprint.

(5) The department shall set terms with agencies participating in the green revolving fund program that include the project(s) scope, funding commitments, data collection and reporting requirements, and any other financial terms related to realization of energy savings related to implementation of the project(s). The department may enter into a memorandum of understanding to memorialize these terms.

(6) Energy savings generated by a project shall be paid to the green revolving fund in future years by a participating agency in a manner and under the terms determined by the department as described in subsection

(5). Funds received in addition to the appropriation in subsection (3) to the green revolving fund are appropriated and may be expended in a manner consistent with the purpose of the fund outlined in subsection (3)."
